

SOME OF OUR FAVOURITE THINGS TO DO IN BROOME!

Please email us if you would like us to arrange any of these activities for your stay before you arrive, with ideal times and dates if you have preferences.

Please note between the months of November to March many tours do not operate.

Billi Electric Bikes

Hire one of our brand new electric bikes. It is a good idea to pre book these. They are \$30 each for a 24hr period. We have 3 unisex and 3 mens. They are a great, fun way to see the town!

Watch The Sunset On Cable Beach!

Have a sunset cocktail at the Cable Beach Club Sunset Bar or take some beverages down to the beach (yes you can drive on to the beach if you have a 4WD or Broome Broome Car Hire have Beach Cars they will allow on to the Beach). From here you can watch the camels leave the beach after sunset rides and see the sun slip out of sight over the stunning ocean horizon beyond the palm trees! The perfect way to start your holiday in Broome!

Book A Car or Scooter

Taxis are very expensive in Broome and Broome is very spread out – not matter where you are. We highly recommend you hire a car and do this as early as you can as they get booked out. As a guest of The Billi you are entitled to 10% OFF the daily car hire rate at Broome Broome Car Rentals whilst you are with us – PH (08) 9192 2210 for a small run-around to a beach car with umbrella and esky or a large 4WD to head out of town or people mover to get everyone around! They also have a yard just at the entrance to the airport for your convenience! www.broomebroome.com.au

The Broome Bird Observatory

Located just 25km from Broome on an unsealed road. You can self drive or a transfer service may be available at a cost. Roebuck Bay has the greatest diversity of shorebird species of any site on the planet and around 150,000 of these birds visit annually. The magnificent coastal scenery of the bay provides a fitting backdrop for the birds and is a stunning attraction in its own right. As a day visitor you can walk the self guided botanical trails, enjoy the beach, observe the shorebirds and relax in the shade house which overlooks the bird baths, or book one of their tours; Shorebirds Tour or Mangrove Tour \$70pp – 2.5hrs incl morning tea; Bush & Plains Afternoon Tour - \$70pp; Lakes Full Day Tour - \$150pp incl morning tea, BYO lunch.

Broome's Astronomy Experience

A 2-hour educational and entertaining mind bender using big telescopes, lasers and fun under some of the best stargazing skies on the planet.

"Giving people a living breathing conscious experience of being on a planet that is turning as it hurtles through space is our most profound task. With this experience comes an ability to see things for what they really are, to see you in relation to the whole and to know that everything is on track."

You'll find Greg Quicke running star shows for the public from April to October at the Astro Tours dark site an easy 20 minutes drive out of Broome, Western Australia. Self Drive \$75pp & \$55 children under 16. Hotel transfer add \$20pp.

Staircase To The Moon

Staircase to the Moon is a natural phenomenon which occurs when a full moon rises over the exposed tidal flats of Roebuck Bay. The Staircase to the Moon happens 2 - 3 days a month between March and October. The first two days of Staircase to the Moon generally also play host to the Staircase to the Moon markets at Town Beach. Here you can sample local produce, buy hand made products, a variety of international food, and enjoy the sounds of local entertainers. Another popular spot to view the event is The Mangrove Hotel Resort, with live entertainment every Staircase night.

A Taste of Broome

A must see when coming to Broome! An indigenous art & cultural event that showcases the history of Broome to a mix of music, media, dance, food, arts & crafts. Lots of local creative talent and the best chicken satays!! The show is on once a month, worth planning your trip around if you are heading to the North West! Tickets need to be booked in advance.

Indigenous Mangrove & Mudcrab Tour

Broome's mangroves provide a sheltered habitat for a wide variety of native and aquatic animals. Teeming with life, they are both feeding grounds and nurseries for fish, molluscs, burrowing mud worms, various crustaceans, dugong and the occasional saltwater crocodile.

On the Bagul Bagul tour you will learn about the different types of mangrove trees. Experience the mangrove forest and hear about the traditional uses of mangrove wood. At low tide the mangroves are alive with mudskippers, mudcrabs and a variety of birds. Possibly sample some of the bushtucker traditionally sourced from the mangrove forest, spot the different types of crab holes, and if you are lucky, you will taste a beautiful oyster fresh off the rock. The tour takes you into the bay through pools to Buccaneer rock where you will hear the Dreaming story of Randigunya the giant. Scour the mangroves for tasty morsels and see remnants of (Asian) fish traps and hear stories from a bygone era of Broome's pearling days. Adults \$75, Children \$35 | 2 Hours
