DESIGN YOUR OWN WEDDING or EVENT

It could be a dreamy beach ceremony with a stunning Cable Beach backdrop followed by a picturesque tropical sunset or an intimate ceremony within the resort's lush tropical gardens.

Afterwards, guests are welcomed to an elegantly decorated reception area with welcome drinks and gentle music, nestled under a canopy of twinkling fairy lights with culinary delights to tantalize their taste buds.

Your exclusive reception area features lush exotic gardens with evergreen frangipanis and tropical palm trees fringing an expanse of synthetic grass that always looks perfect. There is a purpose-built timber bar for staff to serve your drinks and a large wooden canoe to hold ice and self-serve drinks. The area has a purpose-built stage area sets the scene for entertainment and speeches plus there's a separate building for the guest amenities. The ground is covered with synthetic turf, so it always looks perfect! As the sun sets, casting a warm glow on the festivities, the newlyweds and their loved ones dance the night away under a starlit sky, creating memories that will be cherished for a lifetime.

A wedding at The Billi Resort in Cable Beach epitomizes exclusivity and romance, leaving the guests with a sense of awe and enchantment that lingers long after the celebration concludes.

The Billi has hosted many different events, from 4 course seated dinners for just 40 people to cocktail functions for 120 guests.

We are best placed to advise and assist you in designing an event which best reflects you and has that perfect flow to it. Everyone's idea about their perfect wedding or event is naturally different, the beauty of The Billi is that we provide the perfect setting for you and your loved ones to stay and to celebrate your special day. You hire the decorations, supplies and caterers specifically tailored to your personal tastes. Our co-ordinator will put you in contact with the right people to ensure your dream wedding becomes a reality and of course, she will help with recommendations and suggestions to guide you, ensuring nothing important is missed.

Local caterers have access to a designated area from which they can best prepare and serve food and facilitate the clean-up. We work closely with them to meet your personal requirements; most having worked with The Billi in the past and many on regular occasions. Please note that unfortunately we are unable to allow guests to self-cater for weddings and events as our facilities are not suitable for this purpose.

As far as providing alcohol – a major cost in any event, the resort is yours and it is much the same as any private event where you supply your own beverages. Simply hire a cool room for storage and BYO. This ends up being a huge cost saving overall compared to other establishments that require you to purchase through their premises.

VENUE FEE AND WEDDING CONDITIONS

In order to confirm a date, we require a \$5,500 non-refundable deposit to be paid within 4 weeks of confirming your reservation.

The deposit will cover the \$5,500 venue fee in entirety. Our venue fee allows us to block the entire resort for the minimum 3 days required to host an event at The Billi. When hosting a wedding or event at the Billi – you guarantee the resort for a minimum of three nights in its entirety, resulting in there being at least one day either side of the actual event for set up and pack down and time for you and your guests to enjoy our facilities.

It covers the extra work we naturally do to ensure that the property is looking its absolute best for your event. It pays for the extra staff required to set up your event to your specifications and to pack down the event afterwards. It covers two bar staff who will set up the bar in the afternoon or as required and serve your drinks. Please note that additional costs will be incurred if extra staff are needed to service your event.

It covers the services of Lauren who is our professional wedding co-ordinator and is there to help you as much as you need along the way. Lauren will liaise and assist with recommending not just caterers, but all suppliers who will ensure a smooth and effortless function with amazing food and service.

The venue fee also includes basic decorations including but not limited to: citronella flares, fairy lights (everywhere!), wicker furniture, glass baubles for tea lights and eskies for behind the bar.

Please note that only ONE EVENT on the Saturday night is permitted. The event must finish no later than **11:30pm** due to our agreements with neighbours, this is strictly enforced. If you are considering any other smaller gatherings or events at The Billi in addition to the Saturday night, you will require written approval from the Resort Manager and additional costs may be incurred.

Any smaller gatherings such as meet and greets, or recoveries must be approved and must be within reception opening hours for supervision and to ensure our duty of care. As we have a noise agreement in place with our neighbours, we can NOT permit any noise or music other than on the Saturday night and this agreement is covered by a music bond in your contract \$2,500 Bond.

ACCOMMODATION

All accommodation is reserved by your guests, with a deposit required upon reservation, essentially underwriting the cost of the accommodation for you. The remaining accommodation is payable 28 days prior to arrival, prepayment and instalments can also be arranged.

We will provide you with an 'Invite To Stay At The Billi' for you to forward to your guests, along with information on accommodation types and rates so they know what to ask for when they call.

Once you have compiled an approved guest list and provided it to us, we can then proceed to take bookings from those on the list and assign them their preferred room type (ideally).

We will communicate directly with your guests with regard to the length of their stay, bedding arrangements, arrival times and payment - taking care of all of the accommodation requirements ourselves and freeing you up to concentrate on your event!

Your guest's reservation must include at least the 3-night period of your wedding booking for which you will act as a guarantor for. This avoids people booking for just one night and you having to incur any additional charges – they will be informed of the 3-night minimum upfront and we send out a confirmation in writing of their dates of stay and the balance once their deposit is paid and their accommodation secured.

We also offer an exclusive 20% reduced rate to you and your guests for any additional nights they would like to stay outside of the 3 event days and in addition, we offer all guests a 10% discount with Broome Broome Car Rentals for any vehicle hire within the dates of their stay with us.

HIRE AND DECORATIONS

The role of The Billi in your event/wedding is to provide the venue and to facilitate and assist you in the planning and co-ordination of your special occasion and with that, we have a list of suppliers that we provide but you are certainly not limited to.

We have on-site permanent fairy lights which set off and make magical our amazing gardens. Due to the natural and abundant beauty of our Resort - less is always more but we are available and well experienced to advise if you are at all unsure what may work best.

Our favoured decorations are the citronella garden flares, the white silk hanging lanterns for weddings or parties and our glass balls which hang in the gardens and hold tea lights (we require you to provide 50 battery operated tealights in a warm white colour if you would like us to use the glass balls).

The Billi also has a small selection of outdoor wicker chairs, stools and high bars which we use from time to time to create a more relaxed atmosphere. Where possible, it is nice to have the majority of your guests standing, but for some - seating will always be a necessity and this is where the wicker furniture can and does come in handy.

Please be advised that the preferred maximum number for a sit-down event is around 80 persons and 120 for a cocktail function
