Weddings and private events are held on Saturdays, with guest check-in on Friday and departure on Monday. A 20% discount is extended on any additional nights beyond the minimum stay, allowing guests to relax, celebrate and fully immerse themselves in their time in Broome.

Your Celebration, Your Way

Whether couples envision a romantic beach ceremony against the iconic backdrop of Cable Beach and its spectacular sunsets, or an intimate exchange of vows nestled within lush tropical gardens, The Billi Resort offers a setting to suit every love story.

Following the ceremony, guests are welcomed into a beautifully styled reception space where welcome drinks and soft ambient music set the tone for the evening. The exclusive reception area is framed by exotic gardens, evergreen frangipanis and swaying palm trees, bordering an expanse of immaculate synthetic grass that remains flawless year-round. The space features a purpose-built bar for professional beverage service, a large wooden canoe for ice and self-serve drinks, and a dedicated stage for entertainment and speeches.

Guest amenities are conveniently located in a separate building, ensuring comfort throughout the evening. As the sun sets and the celebration unfolds, couples and their loved one's dance beneath the stars, creating memories to be cherished for a lifetime.

A celebration at The Billi Resort in Cable Beach represents the epitome of exclusivity and romance, leaving guests with a lasting sense of awe long after the final song is played.

The Billi Resort has hosted a wide range of events, from elegant four-course seated dinners for 40 guests to cocktail-style receptions for up to 120 guests.

The experienced team works closely with each couple to design an event that reflects their unique vision and flows seamlessly from start to finish. Every celebration is tailored individually, with décor, styling, catering and suppliers selected to suit personal tastes. A dedicated wedding coordinator connects couples with trusted local professionals and provides guidance to ensure no detail is overlooked.

Local caterers have access to a dedicated preparation and service area and work closely with the resort to deliver a seamless experience, including efficient clean-up. Most have worked at The Billi Resort previously, many on a regular basis. Guest self-catering is not permitted for weddings and events, as facilities are not designed for this purpose.

Your Celebration, Your Way Continued

When it comes to beverages, often one of the most significant event expenses; The Billi Resort operates much like a private venue. Couples are welcome to supply their own alcohol, with the added convenience of an on-site cool room for storage, eliminating the need for external hire. This approach typically results in substantial cost savings compared to venues requiring in-house beverage purchasing.

While renowned for weddings, The Billi Resort is equally suited to milestone birthdays, family gatherings, anniversaries and other meaningful private events, all delivered with the same level of care, exclusivity and attention to detail.

Venue Fee & Event Conditions

To secure a chosen date, a non-refundable deposit of \$6,000 is required within four weeks of confirming the reservation. This deposit represents the full venue fee and formally secures the booking.

The venue fee provides exclusive use of The Billi Resort for a minimum three-night stay, including one night prior to and one night following the event. This allows ample time for set-up and pack-down while also providing guests the opportunity to relax and enjoy the resort's facilities. Hosting an event guarantees exclusive access to the entire property for the duration of this minimum stay.

The venue fee reflects the additional preparation required to present the resort at its best, including extra staffing for event set-up and pack-down in line with client specifications, and two bar staff to set up and serve beverages during the event. Any additional staffing requirements will be discussed and confirmed in advance at an additional fee.

Included in the venue fee is the professional service of Lauren, the resort's experienced wedding coordinator, who supports couples throughout the planning process. Lauren assists with supplier recommendations, including trusted local caterers, to ensure each event runs seamlessly and delivers exceptional food and service.

The venue fee also includes a selection of basic décor items such as citronella flares, extensive fairy lighting, wicker furniture, glass baubles for tea lights and eskies for behind pop-up bars. Additionally, exclusive access to the on-site cool room is included for the bride and groom as part of the \$6,000 venue fee.

Venue Fee & Event Conditions Cont....

To preserve the privacy, tranquillity and exclusive nature of each celebration, all organised festivities and use of event spaces are confined to the approved Saturday evening event period. Any additional use of resort communal spaces outside this timeframe is subject to prior written approval by the Resort Owner and may incur additional fees. Music and amplified sound are not permitted outside the approved event time.

A \$2,500 security bond, including a \$500 music bond, is outlined in the contract to ensure compliance with these conditions.

Accommodation

All accommodation is booked directly by guests, with a deposit required at the time of reservation and the remaining balance payable 28 days prior to arrival. Flexible prepayment plans or instalment options may be arranged upon request.

An “Invite to Stay at The Billi” is provided for hosts to share with their guests. This invitation outlines accommodation styles and rates, ensuring guests have all relevant information when contacting the resort.

Once the approved guest list has been submitted, reservations will be accepted and guests allocated to their preferred room types wherever possible. The resort team liaises directly with guests regarding length of stay, bedding configurations, arrival times and payment details, managing all accommodation logistics on behalf of the hosts.

Each reservation must align with the minimum three-night stay associated with the event booking. The host acts as guarantor for this period, ensuring guests book within the required stay. Guests receive written confirmation of their stay dates and outstanding balance once their deposit has been received.

An exclusive 20% discount is offered on any additional nights beyond the minimum stay. All guests also receive a 10% discount on vehicle hire with Broome Broome Car Rentals for the duration of their stay.

Styling, Hire & Décor

The role of The Billi Resort is to provide a seamless and beautiful setting while supporting clients throughout the planning and coordination process. Trusted local suppliers are recommended; however, couples are welcome to engage suppliers of their choice.

Permanent fairy lighting is woven throughout the gardens, creating a magical atmosphere that enhances the natural surroundings. Given the inherent elegance of the venue, a minimal styling approach often achieves the most refined result, though guidance is always available.

Decorative elements include citronella garden flares, white silk hanging lanterns and glass baubles for tea lights. If glass baubles are used, 50 warm-white battery-operated tea lights are required.

A small selection of outdoor wicker chairs, stools and high bars is available to create a relaxed and inviting atmosphere. While many events are cocktail-style, seating is provided for guest comfort where required.

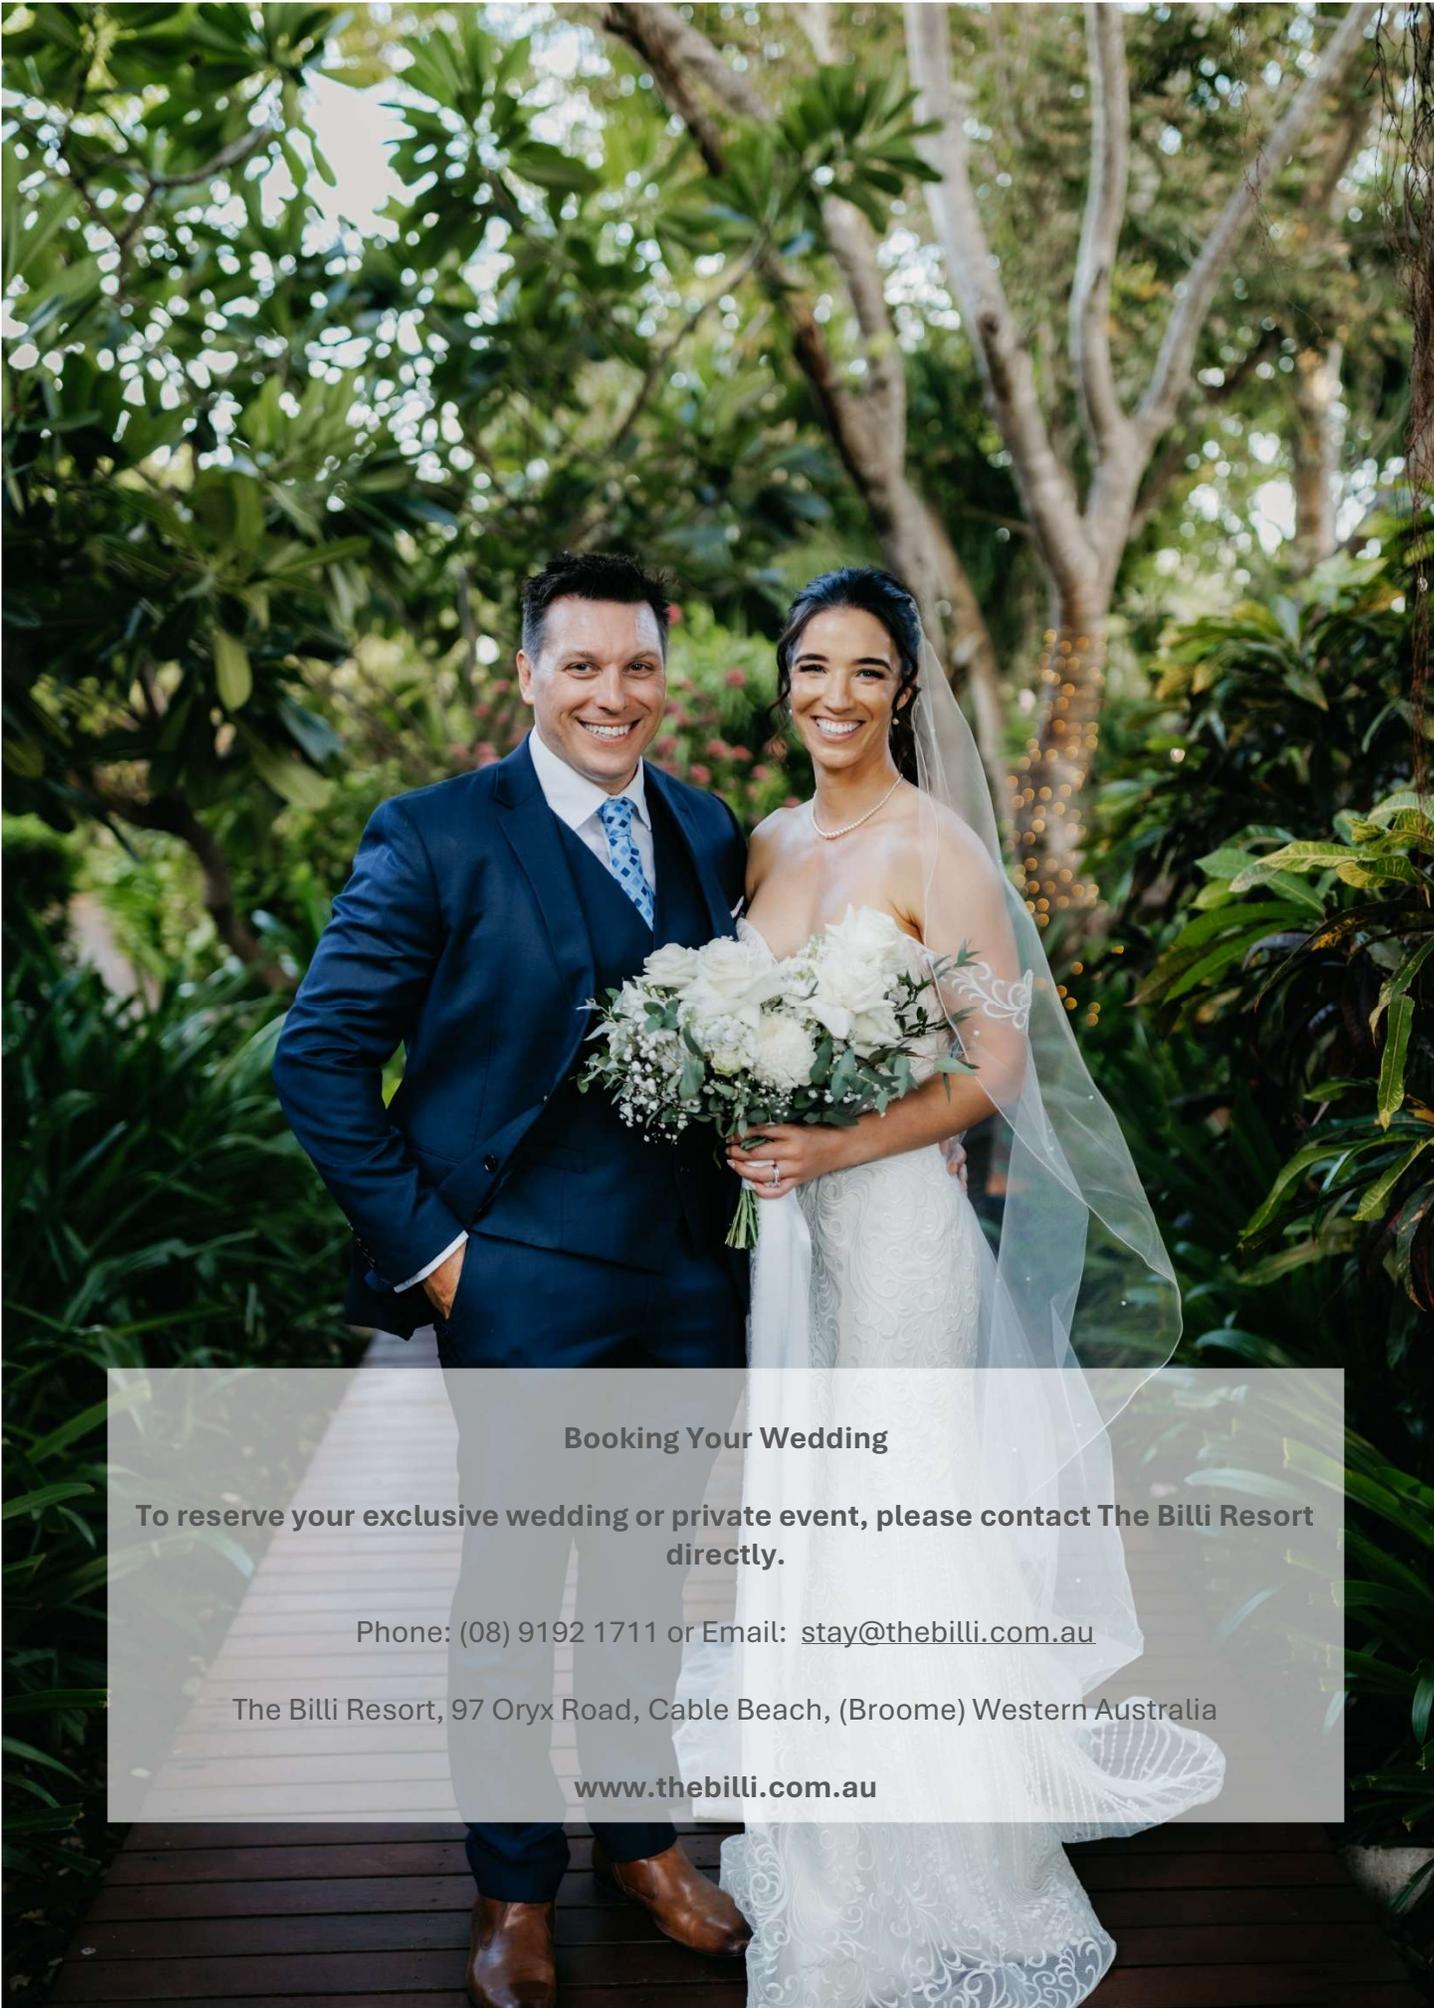

The preferred maximum capacity is approximately 120 guests for both seated dining and cocktail-style events.
